INDEX TO VOLUME 4

Abdomen
  blunt trauma of, rupture of small intestines due to seat belt, 397
  effects of experimental explosive decompression on the gastrointestinal tract, 618
  stab wounds, expectant management of, 210
  toxicity in abdominal injury, 84
Abreo, Ralph A., 137
Abstracts, 145, 265, 412, 539, 732, 856
Accidents
  automobile camping, Current News and Comment, 410
  automobile statistics, Current News and Comment, 410
  aviation and carbon monoxide, Current News and Comment, 535
  drownings, Current News and Comment, 535
  facts and statistics, Current News and Comment, 536, 537
  relation to a good breakfast, Current News and Comment, 536
  statistics and prevention in dam construction, 186
Accident rooms, organization of emergency medical facilities and services, 358
Adler, Federico, 390
Adler, Joel B., 115
American Association for Surgery of Trauma
  Past presidents, 1
  The first quarter century, 5
American College of Surgeons Committee on Trauma safety and first aid program, Current News and Comment, 729
Amputations
  experimental microcirculation and perfusates, 495
  lower extremities, and their appropriate prostheses, 435
Ankle, lateral ligament, sprains of, 292
Aneurysm
  of major vessels, complications of clavicle fractures, 819
  popliteal artery, due to osteochondroma, 339
  traumatic, of the radial artery at the wrist, resection and arterial repair, 530
Aneurysm (*cont.*)
Arterial repair
  brachial, 175
  of traumatic aneurysm of the popliteal, 339
  of traumatic aneurysm of the radial at the wrist, 530
Athletic injuries
  medial subtalar dislocation, 845
  prevention of, Current News and Comment, 854
  surgical responsibilities, Editorial, 726
Attar, Safuh, 652
Automobile accidents, insurance companies, Current News and Comment, 410
Axilla, severance of major vessels and nerves, 175

Bahn, Robert C., 219
Barotrauma, experimental, 791
Baxter, Charles R., 567
Beall, Arthur C., Jr., 382
Beattie, E. J., Jr., 495
Ben Hur, N., 850
Berard, C. W., 543
Bladder, traumatic rupture, Case Report, 522
Blair, Emil, 652
Bounous, G., 424
Brain, injury of, 168
Brault, Jean-Paul, 702
Braunstein, Paul W., 832
Brown, Kent L., 608
Brown, Robert B., 246
Burnham, Preston J., 91
Burns, John W., 624, 673
Burns
  complicating experimental fractures, 682
  electrical, 608
  hand, splints for, 57
  histochemical changes in second-degree, 269
  immunoelectrophoretic analysis of proteins extracted from burned skin, 506
  sepis, changing concepts, 233
  serum protein electrophoretic abnormality, 137

Burns (*cont.*)
use of vaccine and hyperimmune serum for protection against *Pseudomonas septicemia*, 451
water loss, evaporative, 180

Callahan, Walter, 451
Campbell, Rolla D., Jr., 457
Carey, Edward J., 15
Carpal navicular fracture, patho mechanics, 96
Case Reports
Dynamics of Traumatic Bladder Rupture, 522
Embolization of a Bullet to the Posterior Tibial Artery Following a Gunshot Wound of the Thorax, 258
Fracture of the Transverse Process of the First Thoracic Vertebra, 394
Perforating Injury of the Heart Caused by a Nail Fired from a Stud-Gun, 850
A Repair of Partial Loss of the Thumb, 91
Traumatic Aneurysm of the Popliteal Artery from Perforation by an Osteochondroma, 339
Traumatic Intrathoracic Tiba, 400
A True Traumatic Aneurysm of the Radial Artery at the Wrist Successfully Treated by Resection and Arterial Repair, 530
An Unusual Injury Due to the Seat Belt, 397
Charron, Jules W., 702
Chest
crushed, a regimen for early care, 325
gunshot wounds of, 382
penetrating wound of, by tibial fragment, 400
Clawson, D. Kay, 736, 753
Close, A. Stephen, 763
Coughlin, Edward J., Jr., 692
Cowley, R. Adams, 652
Crawford, E. Stanley, 382
Crosthwait, R. Wilson, 149
Crosthwait, Robert W., 382
Crosthwait, Robert W., Jr., 149
Crowley, L. V., 543
Curling's ulcer, 481
Current News and Comment
accident facts, 537
accident prevention, 854
automobile camping safety, 410
automobile traffic death and accident statistics, 410
aviation hazards, 535
breakfast, importance of, 536
dangers of game-area warnings, 143
driver training, 538
drownings, biological factors, 535
scuba diving safety, 535
sun glasses—fact and fancy, 143
ways and means of effecting tetanus toxoid immunization in the nonmilitary Ohio population, 264

Davis, J. H., 84
Deaths following accidents, 410, 537
DeBakey, Michael E., 382
Deffer, Philip A., 96
Dehne, Ernst, 96
Denney, Myron K., 791
Dextran, low molecular weight, in treatment of frostbite, 246, 784
Drowning, biological factors, Current News and Comment, 535

Grantham, S. Ashby, 845
Grisolia, Andres, 394, 682
Gronley, Joanne K., 57
Gunshot wounds
of the chest, individualization, 382
of the thorax, embolization of a bullet, Case Report, 258
Gurd, Fraser N., 424
Gurdjian, E. S., 309
Gurjar, Manilal, P., 687

Haller, J. Alex, Jr., 415
Halliday, D. Ross, 219
Hampson, L. G., 424
Hampton, Oscar P., Jr., 5, 408
Hand
analysis, prevention and treatment following injury, 581
carpal navicular fracture, 96
fiberglass positioning device for burned hand, 57
injuries, effect of kinesthetic splinting, 664
thumb, partial loss of, 91
Hardaway, Robert M., 624, 673
Hardy, W. G., 309
Head injury
acute, treatment of, 168
causes of shock in, 204
Heart injury, perforating, from nail fired from stud-gun, Case Report, 850
Hebert, William M., 325
Heitkamp, Dale H., 642
Helmets, evaluation of, 309
Hematoma
intramural, duodenal obstruction in children, 797
subdural, bile pigments in, 757
Hemorrhage, concealed, due to pelvic fracture, 832
Hemorrhagic shock
experimental, effect of trauma and hemolysis, 624
and fat embolism, 687
influence on fibrinogen, 673
irreversible, comparative effects of blood, saline, and low molecular dextran, 414
metabolism of intestine in, 424
Henning, George, 652
Heparin, effect of sublingual potassium on the serum lipase activity of patients following fractures, 390
Hepatic resection for massive trauma, 282
Histochemical observations of seond-degree burns, 269
Hodgson, V. R., 309

Hollinshead, W. Henry, 219
Houchin, Donald N., 624, 673
Howard, John M., 269, 814
Humeral condyle fractures, 592
Hyperbaric oxygenation, effect on
  experimental *C. perfringens* infection, 642
  experimental shock, 652

Infection
  of compound fractures of tibia, 301
  of experimental contaminated wounds, effect of various agents on, 763
  necrotizing fascitis, 149
  Pseudomonas septicemia, use of vaccine and hyperimmune serum for protection, 451
Intestinal injuries
  effect of experimental rapid decompression, 618
  rupture due to seat belt, 397
Intracapsular fractures of the femur treated by sliding screw plate fixation, 753
Izant, Robert J., Jr., 797

Jackson, Benjamin B., 339
Jackson, Daniel R., 624, 673
Jenkins, Edward B., 624, 673
Johnson, Dale G., 624, 673
Johnson, Ingeborg M., 373
Jones, James C., 664
Jordan, George L., Jr., 149, 839

Kazan, Ivan W., 186
Kidney, tubular necrosis with sustained urinary output, 373
Kostrubiak, W., 814

Lance, Eugene M., 15
Leach, Robert E., 722
Levenson, S. M., 543
Lewis, Rubin, 325
Ligaments
  cervical, injury of, necropsy study, 219
  lateral ankle, sprains of, 292
Lipase activity, effect of sublingual potassium heparin following fractures, 390
Lissner, H. R., 309
Liver, trauma, resection, 282
Long, David, 246
Lower nephron necrosis, 373
